Date: March 1st

PLAINVILLE
74 Northwest Dr.
Plainville, CT 06062

MRI WOBURN
236 West Cummings Park
Woburn, MA 01801

Time: 9:00 A.M or 1:00 P.M

Time: 9:00 A.M - 1:00 P.M

Don't miss this opportunity with 2 sessions at both locations to choose from. Trainings start at 9am or 1pm and lunch is on us!

Join MRI for an interactive training on whole home mesh wifi with Jeff Miller from EERO. Learn how by using EERO can make your jobs more reliable and profitable while delivering your customer the robust, secure wifi that they expect.

Once you've setup a robust EERO wifi network, you will learn about SONOS - The Home Sound System that sets up easily, streams all the music on earth, and fills your customer's entire home with great-sounding music. Learn all about our brand strategy and how you can fit SONOS into your business model. Experience our compact but versatile product line as well as the certified partner integrations that help you build simple, reliable home automation experiences for your customers. Also, hear about the importance of Voice in today's Connected Home and experience the brand new SONOS One, the Voice Speaker for Music Lovers.

Special Purchases and Giveaways for Dealers that attend!
